

**Environmental Agency Research and Interview
Informed Consent**

The Walker School is currently conducting research on various environmental agencies and their role in protecting the environment. We hope that this project will help members of the Walker community to better understand how non-governmental agencies protect our natural resources in Georgia. The information you provide will be used to construct educational podcasts which will be streamed from our website.

I, _____, do hereby give to The Walker School's Environmental Agency Research Project the following recorded interview conducted with me on the date of _____. This unrestricted gift may be used for such scholarly and educational purposes as the director of the project shall determine. I transfer to The Walker School legal title and all literary property rights including copyright. This gift does not preclude any use that I may want to make of the information in the recording.

I acknowledge that copies of the interview will be placed in The Walker School Archives and that a link to an electronic version of the interview will be placed on project's website. The undersigned parties may revise or amend this document by mutual consent.
